Dear John:

Thank you for your April 10, 1992 letter enclosing the Rule 40 action in this case. In response to your inquiry, I believe it will be useful to conform the Canadian claims to the allowed and issued claims in the United States case. I believe you have a copy of the prosecution, as well as the issued U.S. patent (No. 4,981,522), which should be all you need to accomplish the amendments.

Please let me know if you need anything further.

Very truly yours,
